AND-STROBE-KIT-1

AND Strobe Kit

Overview

Provide an additional mode of emergency notification or alert messaging by connecting the AND Strobe KIT (AND-STROBE-KIT-1) to a compatible AND IP endpoint.

Once connected to an AND IP endpoint, the AND-STROBE-KIT-1 easily integrates with VoIP phone systems, approved 3rd party software, and includes ClockWise Campus software with purchase.

Contact Tech Support if you plan to connect the strobe to the IPSIGNL-RWB. This requires the AND-PIA-2D, which will be provided at no additional cost. Contact tech@anetd.com or 847-463-2237

Description

ANALOG INTEGRATION

Activate strobe by connecting to contact closure, call button, existing security system, etc.

SOFTWARE

ClockWise Campus software included. Compatible with approved third-party software.
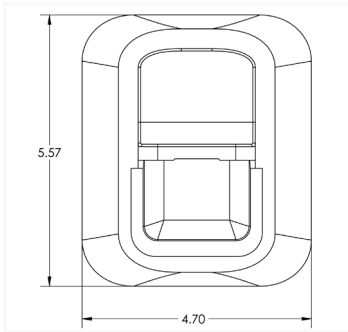

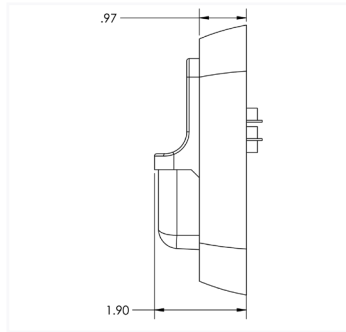

SIP INTEGRATION

SIP ring detection alert.
